This chart shows the fund's performance as the percentage loss or gain per year over the last 7 year(s) against its benchmark. Where past performance is not shown there is insufficient data to provide a useful indication of past performance.

- Past performance is not a reliable indicator of future performance. Markets could develop very differently in the future. It can help you to assess how the fund has been managed in the past and compare it to its benchmark.
- Past performance is calculated in EUR.
- The class was launched in 2017.
- Past performance is not a guide for future performance.
- Performance figures do not take into account entry, exit or conversion charges that might be levied.
- The Benchmark of the Class is shown for comparison purposes only, without implying any particular constraints to the Sub-Fund's investments.
