What is this product?

Type

Collection (the "Umbrella Fund"), with multiple compartments ("société d'investissement à capital variable" ("SICAV") à compartiments multiples) governed by Luxembourg law, established in accordance with the provisions of by Part I of the Luxembourg law of 17th December and thus qualifies as a UCITS.

Term

The term of the Sub-Fund is unlimited and therefore there is no maturity date. The Management Company may not unilaterally terminate the Sub-Fund.

Objectives

Investment Objective

The investment objective of the Sub-Fund is to achieve a return in excess of the US equity market by investing primarily in US companies. The Investment Manager uses a research-driven investment process that is based on the fundamental analysis of companies and their future earnings and cash flows by a team of specialist sector analysts. The Sub-Fund may also invest up to 20% of its total assets in Canadian companies.

The Sub-Fund will invest at least 67% of assets invested in listed equities and equity-type transferable securities of companies that are domiciled or carrying out the main part of their economic activity, in the United States of America. The Sub-Fund may also invest up to 15% of its total assets in eligible closed-ended Real Estate Investment Trusts.

Investment Policy

The Sub-Fund is actively managed. The Benchmark of the Class is MSCI USA Net Total Return EUR and is shown for comparison purposes only, without implying any particular constraints to the Sub-Fund's investments.

Extra financial considerations (Environmental, Social and Governance ("ESG")) are fully integrated in the investment process of the Sub-Fund. Therefore, the Sub-Fund will focus on companies whose social and environmental factors and methods of governance have a sustainable impact on financial performance. All of the three ESG criteria are applied according to the following main criteria:

- Governance: Board structure, independence and diversity; business ethics, bribery and corruption.
- Social: Human resources management and customer/supplier relations.
- Environment: Energy efficiency, waste management, carbon emissions reduction.

An Extra-financial analysis process is used to assign an ESG score based on an internal analysis and/or on the data provided by an extra-financial rating agency in order to define the eligible investment universe.

Further information regarding the way the fund's sustainable investment objective is achieved is available in the fund's prospectus. The fund is subject to Mirabaud Sustainable and Responsible investment policy.

Share Class Policy

The Class is not entitled to any dividend distribution.

This Class is a hedged share class, which means that the currency risk between the Sub-Fund currency and the Class currency is reduced, but not completely eliminated.

Processing of subscription and redemption orders

The Sub-Fund offers daily liquidity, whereby you can subscribe to the Sub-Fund or redeem your assets on any business day in Luxembourg, with the exception of business days mentioned in the "No NAV Calendar" published on the website.

Intended retail Investor

Suitable for investors with all levels of knowledge and/or experience, seeking capital growth and who have an investment horizon of at least 5 years. The product does not have any capital guarantee and up to 100% of their capital is at risk.

What are the risks and what could I get in return?

Summary Risk Indicator (SRI)

 The risk indicator assumes you keep the product for 5 years.
The actual risk can vary significantly if you cash in at an early stage and you may get back less.
The summary risk indicator is a guide to the level of risk of this product compared to other products. It shows how likely it is that the product will

lose money because of movements in the markets or because we are not able to pay you.
We have classified this product as 4 out of 7 which is the a medium risk class.
This rates the potential losses from future performance at a medium level, and poor market conditions could impact the capacity to pay you.
Be aware of currency risk. If your local currency is different from the Product currency, you will receive payments in a different currency, so the final return you will get depends on the exchange rate between the two currencies. This risk is not considered in the indicator shown above.
Beside the risks included in the risk indicator, other risks may affect the fund performance. For more information, please see prospectus.
This product does not include any protection from future market performance so you could lose some or all of your investment.

Performance Scenarios

The figures shown include all the costs of the product itself, but may not include all the costs that you pay to your advisor or distributor. The figures do not take into account your personal tax situation, which may also affect how much you get back.

What you will get from this product depends on future market performance. Market developments in the future are uncertain and cannot be accurately predicted.

The unfavourable, moderate, and favourable scenarios shown are illustrations using the worst, average, and best performance of the product and a suitable benchmark over the last 10 years. Markets could develop very differently in the future.

What happens if Mirabaud Asset Management (France) SAS is unable to pay out?

You may not face a financial loss due to the default of Mirabaud Asset Management (France) SAS. The assets of the Fund are held in safekeeping by its depositary, Bank Pictet & Cie (Europe) AG – Luxembourg branch. In the event of the insolvency of Mirabaud Asset Management (France) SAS, the Fund's assets in the safekeeping of the Depositary will not be affected. However, in the event of the Depositary's insolvency, or someone acting on its behalf, the Fund may suffer a financial loss. This risk is mitigated to a certain extent by the fact the Depositary is required by law and regulation to segregate its own assets from the assets of the Fund. The Depositary will also be liable to the Fund for any loss arising from, among other things, its negligence, fraud or intentional failure properly to fulfil its obligations (subject to certain limitations as set out in the agreement with the Depositary).

Losses are not covered by an investor's compensation or guaranteed scheme.
